“ *I don't know where to start, I'm so lost for words. My sister in christ, My friend, my coworker.....a wonderfully sweet woman whom I just adored. We laughed so many days and we cried together too. But mostly I will never forget your classy style of dress, I learned so much from you about fashion, life in general, and again so much laughter. My Heart is broken but I know God must have needed you more. Thank you for being my friend. And I will miss you dearly. Rest on in Paradise because I know your there from our many conversations about our Lord and Savior and I hope to see you in paradise my friend. May your family find peace, love and light in the fact that you went home to be with Lord. Love Paulette*

“ Priscilla was a pearl. I met her through her son Brandon. Thank you Brandon for giving me a jewel as a friend. We talked over the phone at least every other day. I'm going to miss my Jewel. Our discussions were about God family children and grandchildren. Through talking to each other we found we had a lot in common. We laughed we cried and we snickered like teenagers. I am going to miss the conversations that I'm going to miss my friend. Condolences to Karl and her family.
