“ *I really don't even know where to begin it's so hard it's like I'm in a bad dream I'm numb I'm weak Ray I miss you so much I miss you sending me videos on Facebook all times night. I haven't even had the energy to want to post anything lately seriously speaking you always made me feel like a star .when I used to do my videos you once told me to reach for the stars and you would tell me you going to make me famous one day and we laugh. But we will always have memories. I went to pick up the phone to call you the other day. And I couldn't do anything but break down and cry but it's going to get better because I know you going to be in heaven watching over us you will forever be in our heart RIP Ray.*

“ *My dearest cousin Shirley, no matter what you may be facing, God has supernatural strength for you in every situation. It pleases Him when you come and surrender yourself to Him, that's when you receive His favor and strength. "For they did not gain possession of the land by their own sword, nor did their own arm save them; but it was Your right hand, Your arm, and the light of Your countenance, because You favored them." Psalm 44:3. Today, know that He desires to show Himself strong on your behalf. We pray that you continue to receive God's Strength. Deepest condolence to the Washington family.
