“ In Loving Memory
of a
Wonderful Great Aunt
Your love and warmth will forever be in my heart. Though you're gone. I will miss your soft Southern voice when you call my name (Lesa), and always ask, where's your dad (Mickey). Most of all I will remember you and your beautiful smile.
Rest in peace Auntie Rebecca Baker❤️

“ Rebecca, known to my family (Josephine Murray) as Beck was such a Spititual, Beautiful, Kind, Loving, Give you her last dime Woman.

She worked with my mom & Annette Bryant at Evangelical Nursing Home. Beck ran an old school Uber service back then with her girls that we called "The 3 Amigo's" for FREE! Rides to work for free. They would take turns.

They became eating buddies looking for any reason to potluck at work like...It's Monday. LOL! Then they ventured to Motor City Casino, not to gamble but to eat.

At work when issues occured, mom would go silent but not Momma Beck...She'd take on management.

Beck ALWAYS greeted us with a smile & her eyes would light up especially when I took my grandchildren to visit her. Then you'd hear, "How's your mom?" or "How's your family?"

We could tell time by the daily call to Josie or Mr. Murray from Beck inquiring about the lottery number shortly after it was televised. I had to record the lottery number on mom's calendar DAILY so my mom would know the number to share with Beck when she called.

I recall some of my bad moments, I'd call Beck for comfort and after our talk, I'd be Encouraged! Her words, "Well Jackie, Whatcha gonna do?"

Momma Beck was one in a million, Truly Missed but Never Forgotten!

Thank you Lord for placing Beck in my mom's life at Evangelical and Thank you Mr. Baker, Michelle and Billy sharing this Beautiful Woman with us.

Amen

“ Auntie Rebecca, a Beautiful Woman with great qualities to leave behind. I admire the Dedication she had to The Lord when talking about the World's challenges we are all facing, also Her Family which she held, and Loved so highly. I'm so glad I had an opportunity to be a part of her life. The Love, devotion attention, and care given by her Children Billy, and Michelle kept Auntie in great spirits. Auntie Rebecca demonstrated those Fruits of the Spirit in all she did. Galatians 5:22-23 this was who she was. I will forever remember her beautiful smile, and laughter. Peace is with her now. Love, and remembrance of you forever, Niece Toni, Great Nephews George, and David English

“ *Grandma, I miss you and love you so much.*

I will forever cherish the memories we created together. From my earliest days, you were my babysitter, teaching me the values of faith, kindness, and determination. I remember lying in your bed for hours watching SpongeBob and Diego.

You had a unique ability to make every holiday special. I can still hear your voice singing hymns softly as you baked your sweet potato pies and cooked your greens.

I fed you, Grandma, in the hospital, just as you fed me.

I accompanied you to your doctor visits, just as you went with me.

I held you in my arms during your last days on this earth, just as you held on to me. And I will keep holding on to you forever.

Rest in peace, Grandma. You are loved beyond measure and missed deeply. Until we meet again, you will always hold a special place in our hearts.

*Love,
Jacob*

“ *Ma, you raised an amazing, loving, caring, intelligent woman who I am honored to call my sister. Thank you for all that you poured into her and into me over the years. I also want to thank you for always making your house feel like home with a loving smile, a kind word and that familiar smell of Alabama home cooking wafting from the kitchen. Lastly, thank you for all the love, support, caution and advice over the years. It's good to know you are in his mansion with your love, Billy, probably laughing about something petty with my grandma surrounded by God's glory.*

“ My lovely grandma, if I had to share all the loving memories we had it would take a lifetime times two. I thank God I was blessed enough to experience your kind heart, nurturing love, and beautiful spirit. I know that God will call us all home one day but I didn't think it would happen so unexpectedly. I cried when you transitioned and I will probably cry for the rest of my life but in between the cries I smile and laugh because I know you will always be with me .I guess what I'm really trying to say is I will love and miss you all the days of my life. Until we meet again Grandma I love you and see you later 🧡
