“ *Regina and I went to Higginbotham Elementary School together. Regina was always full of energy and enthusiasm especially when it came to engaging in English. It was one of her absolute favourite subjects !!! She excelled above and beyond cause she was always writing plays and stories when we should have been focusing in class....Her and I had so much fun writing together cause she was ahead of her time. I will always remember those days writing and making up characters...her creativity was so on point at an early age.*

Regina was so punky and full of life. I will remember her for that. Prayers to the entire family and all those that went to Higginbotham School! Rest in peace and may the family find comfort and closure during this time.
