Rev Tandoh it was shocking to the body of Christ when we heard about your demise, but we have hope in the Lord that you are rejoicing before your maker now and we shall meet again at Jesus's feet. RIP

Rev. Reuben even though we lost you too soon, we know that now you're with the father of fathers smiling and consoling our spirits, speaking peace and compassion and comfort to us. You are truly missed. And we pray for comfort and strength for your family.

A life well lived can be very intense, focused, and dedicated. That to me is how you lived in the Kingdom of God. Your life is an inspiration, encouraging, and a very great one indeed. Farewell in our father's bosom till we meet again my brother with lots of love.

He was always full of smiles. Such a kind hearted man of God. He was always willing and ready to help. Its painful that we will see you no more but we know that you are resting in the bosom of our Lord Jesus and that's most comforting. You will always be remembered. May your soul rest in perfect peace. May the Lord continue to be with Rev Rev Dorcas and their wonderful daughters.

Last year I attended the Ghana Assembly of God Fellowship USA. During the Business meeting I observed the exaltation of our Brother Reuben to the position of Secretary, a national officer in our GC Fellowship. His departure has left a vacancy which must be filled. Is God calling? If so then fill it with the servant heart and youthful zeal of Reuben. Dorcas, as we prayed, all Glory be unto Our Redeemer and soon coming King!

Reuben, I am out of words. When you stayed away from the Anuanom 85 platform, my thought was that you were busy. Who's going to arbitrate for our members when things get out of hand? Who's going to call me on the side to make me see issues from a different perspective? Most importantly, who's going to remind me that there's a better place for those who abide in the Lord? Fare thee well my brother. We will one day meet in the presence of the Lord.

Kwame your death came as a shock to me and the entire Gyamo family. I sent you a message on both 20th & 22nd April but no reply making me wonder why then all I hear on the 28th is that you're gone. I know that you're with our Maker in Heaven. Till we meet again. "Nyame nfa wo kra sie" Amen

Doris Gyamo - May 12, 2020 at 02:39 PM

Reuben, all of our dorm mates from Heavens, later New Heavens at Koss are shocked. You have gone too soon but I know you are in peace now. Be rest assured that your name will forever be mentioned whenever we meet and talk about ourselves. Whew! I missed you already, more especially our hiding place at the carpentry shop by matron's house where you and used to hide because we didn't want to go to fetch water from the well to the school kitchen those unbearable weeks the school's bole hole machine at Odumasi broke down. It is a nice story you and I were not able to reconnect again to recount. My eyes are full of tears. RIP

Reverend, you were a mentor to me, and I thanked God for the counsel you always provided to me. I received this news with a heavy heart, but it brings consolation that we will meet again in the Lord's kingdom. We will keep praying for God's sustenance on your family. Rest well !

“ Bro, I am still dumbfounded and find it difficult to understanding your sudden death and that indeed you're no more. The question that keep on lingering through my mind are not only many, they remain unanswered. Bro, though your life was short lived, it's eventful and fruitful, full of hope, hard work and determination. You're not only a devoted Christian but a very prayerful and passionate personality who knew what wanted in Christ. “ As I reflect on the life of our dear friend and proud family member of Anuanom 85, what comes to mind is that that Pastor Tandor was a man of God, not just to those who knew him in Detroit, but by the way he lived his life among his peers. He never put anyone down or elevated himself as a man of God, but as a gentle, beautiful soul who had no trouble to be with his Anuanom brothers and sisters and enjoy the communion of familyhood. He was a force of calm whenever we had lively chats on Anuanom platform. He was a true leader who never asked for nor required from anyone a sense of respect, rather, his actions demonstrated how to lead by example. We have lost a wonderful soul, special human being, impossible to replace, but his life has thought us how we should treat each other. I can't imagine how your wife, children and your loved ones are going to go on without you but I know, with all my heart, that your God who knows everything and makes everything perfect will take care of them for you here as you rest at the bosom of your maker. This is last time that I can tell the world that you were my "dearest nephew" and I know what Anuanom family have missed you and will always miss your beautiful soul in our midst. May my condolences bring comfort to your family and may my prayers ease the pain of this loss. I wish the Tantoh family to accept the entire Anuanom85's sincere condolences.

“ We, the anuanom 85 group did not wake up to a good news. On hearing you been hospitalized, we all did pray in our closets and on the platform hoping you were coming back soon to the anuanom 85 group platform to check on one particular member and then as usual remind us of our salvation. On that faithful day I checked the chats on our platform, the first unread message was a prayer for you, I responded amen and continued with mine only to scroll down to that very bad news. Osofo Rueben your demise is changing the lives of anuanom 85year group. We are becoming more prayerful and united hoping you are resting in the bosom of your maker in heaven. We were down with disappointment initially, but the hope in the Lord that you with Him and we are preparing to meet there has strengthened us. All I can say now is "damirifa, damirifa due, due ne amanehunu"

“ This is not what the Anuanon class of 85 thought we will hear today. I call him Osofo others Kwame and some names I can't say cos I don't know the stories behind them..Most of us remember the last conversations we had with you. Mine was you coming to my State of Texas for Easter convention . You asked others if they are saved and one of us you asked if we could start a prayer session as a group. Everything you spoke about was geared towards the Kingdom and Salvation. As I sit in my sofa and write I can see you in heaven if Heaven is a place . Gone too soon osofo but The lord alone knows why. Our Condolences to the love of your life and the 3 gifts the lord gave you. We ask for God' strength protection and wisdom from above for them. Fare thee well Rev Reuben Tandoh.May your soul rest in perfect Peace. Damerifa Due!!! God be with you till we meet again!!!

Kwame, I have cried many times asking God, why you the righteous, but no answer. Your demise has made me to believe the blibical statement of " your ways are not my ways" as said the Lord. Kwame you knew we have so many things to talk behind the scence. It never materialized. We spoke in early April. Little did I know that was going to be our last contact. I'm totally devastated, yet our Lord we serve will give you all the comfort in his abode. Kwame God bless you for your friendship over the years. To the family, it's well. Kwame fare thee well. Rest in Perfect Peace. Anuanom ma wo nante yie. When our time comes, we will meet again.
