“ *I'm so saddened that I will never see Rhonda's beautiful smile in the morning. I only worked with her for 1.3 year. She was always cheerful and encouraging. Our uniforms are not stylish, but Rhonda did her own thing, she was always dressed for work so cute, and professional I always complemented her on that. To the Bond family I'm so sorry for your family's loss. She will be greatly missed.*

“ Rhonda was a very nice young lady she was the first person I got along with when I first started at the job . We didn't see each other a lot but when we did we talked about my family and my mom. She loved R. Kelly I made a Greatest hits C.D. for her she use to play it loud in her car when she came into work. I was happy she was happy she will truly be missed. R.I .H. Miss Rhonda!
