“ *I worked with Rick and I have to say, I'm very much going to miss him. He was kind and caring. He loved seeing pictures on my daughter, and we called him Uncle Rick. He always started our calls by asking how she was doing and how things were going. He was a genuinely a really nice guy. I hope his family finds some comfort in knowing where he's gone and rejoicing that you will meet again one day. I'm looking forward to finally shaking his hand and telling him what an impact he made on my life. To his family, I am really truly sorry for your loss. You'll be in my prayers and thoughts for some time.*
