“ *Sending my deepest condolences and heartfelt prayers. I feel honored to have met Uncle Bob a few times. I remember many years ago him traveling from West TN headed back to Detroit and he stopped by to visit my dad Clenton in Nashville along the way. Looking back that visit is even more special to them getting to know one another. God bless everyone!*

“ My deepest condolences to my cousins. Uncle Bob had a huge presence and everybody knew him. He had a heart of gold and always there when you need him. He and my Dad were so entertaining to be around. I will miss them both with all of my heart and miss all of the stories. Uncle Bob could tell a story and make you feel like you were there. The stories got better every time I heard them. Forever in our hearts we will miss you. Michele
