“ Robert was a great friend and a staple in our camping, backpacking, hiking, kayaking and just general hanging out circle of friends. His laugh always contagious, his smile always warm and his ability to always say 'yes' when there is an event to do will certainly be some of the best characteristics that we'll miss here on out. The world lost a sweet soul and special human!

For those not from AZ--this is Rob with my friend Tom taking my dog Reggie's ashes to the top of Humphrey's peak (highest point in AZ)...again Rob never wavered when it was about doing an adventure and we are going to miss him so so much!
