“ *To the family, Bob taught me how to be a man and I am grateful to have had him in my life. He was there for all of my milestones and I hope that I have made him proud. My three children call him "Grandpa Bob" and he lived up to the name. He never missed a sporting event, dance recital or anything. You get the picture, your dad was a special man to a lot of people and I thank you sharing him with my family. I love you all!!!*

“ *In loving memory, I send this tribute to my dad. From day 1 when I met him, he stole/won my heart. I'm so happy that he knew it too! He came into my life in 1988 and has been my encouragement and supporter ever since. My special dad will forever be in my heart. To the Jennings family, be of good courage, your dad, brother grandad, uncle, cousin and all extension of relationship, lived a great life. Smile because that is what he would want. Peace and love to all.*
