“ *My deepest condolences to Robert family and friends. I have known Robert most his life, I was his babysitter. He was a nice little boy with a big smile and skinny as a rail. As an adult he was still kind, smart and his smile lite up my heart. Everytime I visit he was concerned about my or my husband health. We shared jokes on YouTube and had great laughs together, so Rob started calling me Smiley or Sarah smile. Thanks Robbie for showing me love and bringing joy to me and other you came in touch with. Until we meet again rest Dear Robert in heavenly peace. Love always.
