*Our sympathy and condolences. Harvey has been in our family forever, there isn't enough space for all that I can say about our lives together. We were as one all of our lives as brothers and will remain that way even when we meet again.*

*Time slips by and life goes on, but from our hearts you're never gone. We think about you always, we talk about you too, We have so many memories, but we wish we had you. Love Always and Forever, James (Bugs) Mangham and Selma Johnson*

“ *Britney, Little Harvey, GiGi and Family,  
Today, I am facing an insurmountable challenge posting this memory. It is hard to believe and accept that the Lord has called my big brother home to his resting place. I'm going to miss the wonderful times we have shared. I'll remember and cherish breakfast, lunch, dinner and family gatherings that were such an integral part of our lives. These were always special moments and family unity brought him so much joy. His kindness and generosity was so astounding. Big Bro, or Harv as I called him was the light and joy of our lives. His kindness caused him his set of car keys that he left in an elders car while helping her with her laundered clothes. He never met strangers because of his sense of humor and the way he always insinuated himself in their life and made them smile. I love you big Bro and there will be a void in my life until we meet again. Rest in God's Heavenly Peace.  
Family, I pray for your strength , comfort and healing from this great loss. LaVerne Wimbush*
