“ *Dad, it is difficult to think of the world without you in it, but we are very grateful to have had your love and support for the years we did. We will always remember you sitting in your chair, with Spice at your feet, watching football, drinking a large glass of ice water. And any golf tournament instantly makes us think of you. Thank you for all you've given us and for loving Mom. We will miss you. Rest In Peace. Love, Tricia & Peter*

“ *Bob was a solid guy at every level. Never overstated or trying to impress, he was the man in front of you. Decent, funny and commanded your respect without trying. He will be missed. John Peters*
