“ *From Sister Betty Lyte: To the Davis, Williams, and TOF Church-Families. Pastor Davis was my Spiritual father. He was a counselor and an excellent teacher. His teachings have equipped me to be a better disciple for our Savior and Lord Jesus! And has enhanced my spiritual growth journey. I have not found anyone who has measured up to his spiritual and moral walk in our Savior and Lord-Christ Jesus. We have been and are truly blessed!*

*Pastor Davis was instrumental in my Christian life. I remember the start
of Temple of Faith. He and Mrs. Davis opened up their home to us, the
neighborhood kid and adults for bible study. The ministry grew and was
moved to a store front on Wyoming Ave. This meant traveling in his
station wagon. He would make three or more trips to get us to church.
Because of his love of God and us we kept growing. Pastor Davis'
ministry lead to all of us accepting Christ as our Savior. I will forever be
grateful that Pastor Rochelle Davis Jr. answered God's call on his life.
To the Davis, Williams and Temple of Faith Family, we are praying that
knowing he is with God will be a comfort to you. He will truly be missed
but his ministry lives on in each one of us.

To The Drayton Family, in my original post I omitted your name in error. Our sentiment is the same. We are praying that knowing your father, father-in-law, grandfather and great-grandfather is with God will be a comfort to you. He will truly be missed but his ministry, our memories, our love for him lives on in each one of us. May the peace of God envelop each one of you and His traveling mercy protect you all.

“ Davis's family,
We were sad to hear of Uncle Roe passing.
He always stayed in touch to spread love, joy
and most of all, the word of God! Before the
conversations ended, he always would say,
"Stay Focus." Our plans are to do just that! We will continue to pray
for our family, the Davis's family from Whitehurst, Neal and Miles's
Family.
Love, Chuckie (Eric), Debra, Ne'El, Jessie, and Exie.

“ My uncle Roe was my father's oldest brother and the patriarch of our family. I remember my uncle Roe coming home for family reunions and was always instrumental in keeping our family together for we would conclude the reunion weekend with the family attending church to hear uncle Roe bring a message from God's Word. My uncle Roe used to always tell me that my dad missed his calling to be a preacher and if by chance you get a calling don't you miss yours and I'm proud and honored to carry on the tradition of those great Davis preachers like my uncle Ted and my uncle Roe. I'm going to really miss you saying these words Now little Danny 🙏
