“ I am extremely sorry for your loss. I worked with Rod for many years both at Hydraulic Service and H&P Technologies. Rod and I spent many hours together. He had a great sense of humor; we shared many a laugh. I had great respect for Rod both as a fellow employee and as a man. Rod taught me many life lessons. I will miss the time we shared at work and the times since he retired.
Sincerely
Michael Detz

“ *My condolences to the Family of Rod Tennille. I have known Rod since 1984, through work at Hydraulic Service, now H & P Technologies. We had many laughs throughout out time together at work. Rod was also a very valuable source of technical information. Working with Rod was a pleasure. I have considered him a friend since then and will miss him. Sincerely, Matt Battani*
