“ I was shocked and saddened to hear of the passing of Ricky . He was a wonderful man, a fantastic father,Hard worker great provider,everything a man is supposed to be.From the time I was nine years old he was the closest thing I had to a brother. He gave me life lessons about what I should do with my life. And he was young enough to ruff me up a play with me just the kind of things that a brother would do. I wish there were more men like him and the world is a little bit colder with out him. My condolences to my nieces Mona & Loni and all his Family he is gone to soon. Buddy. (Pervis Johnson)

“ Troup as he introduced himself to my husband & I 34 years ago was
a valued neighbor who became a dear friend. We'll never forget his
generosity, kindness, sense of humor and big heart. Troup looked
out for the whole neighborhood. He stopped a burglary at our
house, ran out of his home gun in hand (he was a police officer) to
help me when he heard a gunshot as a robber tried to kill me
because he couldn't rob me. Rod was always ready to help my
husband & I in any thing he - could, fixing things or trying to figure
out problems, helping with rides, errands.
Troup leaves a big hole in our hearts. We love you Rod always.

“ *I am truly saddened by the loss of Troup. I have great memories of our friendship Which started in 1971 when we sat next to each other at the police Academy.
Then later, we worked together at Mayor Coleman Young’s security detail. Troup also knew my brother Jerry Savin and I was so grateful that he showed up at my brother’s funeral.
Troup had some unusual ideas sometimes. I’ll never forget our discussion outside the mayors mansion during the summer as he spoke to me about his idea of buying a chicken farm and raising chickens said he looked it up and it could be quite lucrative. I didn’t laugh too hard just a little.
He was a very kind, intelligent and friendly person, and although I have not seen him too much since retirement, I will never forget our friendship.*

I met Mr Troup from his daughter Alanna aka my bestie of many years! I use to work for Mr Troup & Alanna at their ice cream parlor back in the day and boy do I have some very fond memories of our times there. I remember having conversations with Mr Troup about the strange and silly things people would do and he use to crack me up and say, he's not cut from those kind of people and how he's from the "purple people planet"...and to this day, I find myself echoing that same sentiment.

I know he loved his daughters and I hope he knew how much of a wonderful job he did raising such poised and Beautiful women, who will forever cherish him and his memories.

*Love,
The Purple People Planet ❤️*
