*My loving beautiful cousin/sister... I am so 💔💔💔 so numb and in dismay as well as disbelief that you won't pop up that you won't call that you left without me knowing that I will never see you again that I will never hear you say "I cannot make this sh\*\* up cousin ",that I won't have anyone to hold secrets with, laugh and talk with, I can hear your laugh so distinctly.. I will forever miss your smile as we Always got compliments on our smiles when we were together.. The bond we shared no matter the time that passed we never skipped or missed a beat the catch up was so real... The Love, loyalty and genuineness and exquisite fun lady that I know as My Ro-Ro my cousin/sister received her wings and the beautiful person I know departed from me and she will forever be remembered & missed.. The cousin of many skills bonded by bloodline and love is sleeping peacefully and will forever live in us all that she embraced.. 🕊️🕊️👄👄👄 I love you always and forever my darling dear cousin/sister 🥹💋*
