“ Ron Foster (aka "The Mayor") was a great husband, father, neighbor, friend and co-worker. Ron ("The Mayor") took full responsibility as the keeper of Dorset St. and the neighborhood by being approachable, always friendly, communicative and advocating for his neighbors by taking action to ensure the street was safe and not overlooked by city services.

Ronald Foster was genuinely "a Mayor" by caring for the neighborhood as if all his neighbors were his constituents. He knew the what, when and how of the street and stayed fully engaged. He will always be appreciated for his love and fight for his neighbors.

We the constituents of Dorset Street from this day forward will recognize "Our Mayor" Ronald L. Foster with a moment of silence on August 29th of every year. He will forever be known as the man who cared! Love you Ron!

So sad to hear of Ron's passing. Great buddy at work at General Motors and American Axle. He was a fun card player also in the skilled trades lounge. Always smiling always laughing, always making everybody feel good. Rest well buddy and I'm confident I will see you again.
