“ Bro Ronald was one of the greatest Ques I have ever been blessed to meet and know. I can remember how he always worked to make my Brother-In-Law and Frat Brother Ben Davis a good and lifetime Frat Brother. Thanks to your family for producing a Mountain of A Man. I know words could never replace the presence of Bro Ronald but please know that we grieve with his great family and friends. Peace be with all of you from Rev. Dr. David D. Freeman. “ Mr. Hardy was my golf coach at Pershing high from 1996-98. The impact he had not only on my life, but the entire golf team was tremendous. I lost my dad in 1996 and Mr. Hardy became more than a coach, but also a father figure without knowing it!

After graduating high school and enlisting in the US Army, he was one of the few educators that I reached back to check up on and also share my successes with. I was deeply saddened to hear of his passing via FB. Sending my deepest condolences to the family of Coach Hardy! He was a man of God and one who was impactful to his students some 20+ years later. RIP to the Honorable Ronald Hardy!

“ Farewell to an extraordinary and remarkable friend. I found Ron to be one of the most devoted and dedicated person I have known. He was devoted, dedicated and passionate about the things he engaged in, both family and organizations. Additionally, he was compassionate and charitable. Just two days before he passed, I was asked to come to his home because he had something he wanted to give me. While flat on his back, struggling to hold on to life, Ron presented to me a substantial check to assist students attending Alabama A & M University. That's the kind of Man Ron was right up to the end. I want to thank God for blessing me with such a remarkable and extraordinary friend and may God bless the Hardy Family.

"Truly, truly, I say to you, whoever believes in me will also do the works that I do; and greater works than these will he do." John 14:12-17.

“ If we have lived as men, it cannot be but we will die as men, when die we must. Brother Hardy was my mentor when I pledged Omega Psi Phi Fraternity. He was always teaching and expected to get the best results by requiring we earn the right to be an Omega. As a football player, he was always at the top of his game. He was considered the best blocking fullback, because he never missed a block in practice of the game. Being a part of my wedding party was a highlight of me getting married. When my wife passed on April 23, 2021 Ron called me to assist me with my grief. I asked him how was he during and he told me about plans to make homecomings this year. We talked about life and shared ways to deal with grief. I explained death no matter how much we prepare nobody know the time but God. Brother Hardy understood life and really understood if we live as men we die as men. In Omega we say: We pass this way but once and I am glad to have met Brother Ronal Hardy. RIP
