“ *My brother n law was a unique person especially when it came to things he particularly did not like. He always had a smile on his face, had a personable attitude and a friendly demeanor in my presence. I loved Ronnie because he loved my sister n law and that made me very happy. We both were married to two sisters, born in January and left-handed which was what we had in common. I just wish they had, had more time together to enjoy each other. Ronnie will truly be missed as a part of our family.*
