“ *One of My favorite brothers, gonna miss your words of advice and encouragement. You taught me a lot: Taught me my Abc and numbers, my address, my parents full name, where I was born and all my siblings name before I began Elementary School (My Teacher) Learned me how to drive a four speed vehicle, Geared me regarding life strategies. Named my first child. Born and raised in the South, that was a very important conservation for him. He mentored a lot of young family members and others, letting everyone know Education is the Key to have a productive and successful life. Put God First in all things we do, Everything will follow. You will always have a special place in my heart and I am already missing you. Your Youngest Sister. Love you always, Get your Rest Now. Will see you later.*
