“ *She was such a pretty girl in high school, I had a crush on her. So sad to hear she passed away before I could meet up with her again.*

“ *My deepest condolences to Alonda! I worked with Rose at The Eyeglass Factory s
One times in Oak Park. She was a beautiful person! I will never forget the delicious gumbo soup she made and brought me some!
May she rest in peace and give her family the strength to carry on.*

“ *Rose was a very fun and kind person. She was my boss years ago and was always so very kind and fair to me. She knew the optical business through and through taught me a lot. We just took to each other. I socialized with Rose outside of work and got to be friends with her younger daughter Alonda. The Barnes family was a great family to know. Rose and my dear father shared the same birthday and she was just always special to me. I was so very saddened to hear she had been called to her eternal rest. The type of person she was I know she is resting right in the arms of our heavenly father. I pray for Alonda and the entire family. Praying for their strength and peace during this difficult time and that perpetual light shines upon Rose. Sending much love to the Barnes family from Sherene Hymison*
