“ I remember when Ruby got Blue and how happy that made her. She had the biggest smile on her face when she came into my apartment with him. They would come over just about everyday. Oftentimes I would play with Blue while Ruby would stand looking out my balcony window. She would always say I love your view. I would comment you are right next door,it's the same but she emphatically disagreed! Sometimes she could be as stubborn as me but that didn't stop our friendship. I truly miss her and Blue. From some things we talked about I know she is happy. I loved her. Rest in peace my friend. My heartfelt sympathy to you Tony,the family and loved ones.

“ Mother Ruby as I called you. I remember as a young girl seeing your smile and feeling your love when I visited Big D and from time to time your shop on Joy Rd. As an adult we cared for one another and talked periodically. Thank you for your kind words. Genuine you are. Kind you are. Faithful you are. Rest now your battle is won and you are nestled in his bosom. Love you forever.
