“ Mrs. Humphrey was more like a mother to me. I was always welcomed into her home. Her love extended to my baby as she would often keep him, so I could go to college. I knew he was in excellent hands.

I send my prayers and love to the entire Humphrey family.

Mrs. Humphrey was an amazing mom and one of the most beautiful women. RIH Mrs. Humphrey, love always!

“ My prayers are with you and your family! However I didn't know Mrs. Humphrey personally I have had the pleasure of being a dear friend to Sonya! She her expressing what her Sweet Lady meant to her was so special. Weeping may endure for the night but joy comes in the morning. In all your ways acknowledge him and he will direct your path! Love Lois Wright!

“ My fondest memories with my Grandmother that I remember the most, was visiting at the house and having dinner. It was fun, we had good loving and bonding experiences. That would probably be the strongest, maybe because we did it often. I will miss you. May the Lord continue bless you.

“ I didn't know Mrs Humphrey personally, however I did have the pleasure of being her photographer at one of her birthday parties a while back. I have done quite a few bday parties but I must say working with her and her family was an absolute pleasure and joy for me! In that little time that I worked with her she was the absolute sweetest person you'd ever want to meet! To Sonya and family please be encouraged and know that I am praying for God's comfort and strength as you go through this difficult time!

“ I would like to send my deepest condolence to the Humphrey family. My memory of Mrs. Humphrey goes all the way back to the 80s, my mom would drop me off at their house some mornings before work, so Mr. Humphrey could take me to school in the morning with Mark and Felicia. I remember Mrs. Humphrey as a kind, beautiful woman. My heart goes out to all of the family, your pictures show your love. Hold on to those precious memories.
