“ *I am just learning about my dear friend Dr. Sai Wentum. One of the best doctors I have ever met. My mother was having problems and we went to several doctors and no one could help with her pain. Dr Wentum examine her and gave her some medecine and she was feeling much better. We loved this man. He will truly be missed. His love for people and medecine was amazing. Rest in heavenly peace my friend*

Jean Kennedy - September 13, 2019 at 10:29 PM

“ *I was his school and classmate at Labone Secondary School and we also were friend in New York but parted ways in the mid seventies re United again in the eighties in Newark New Jersey could you post a picture of him so of the Labone former students to your share memories with the family*
