“ *Mrs Sallie was a wonderful woman I met some 25+ years ago when she came to Los Angeles to visit her son John. We “ hung” out just about every day sightseeing LA from Hollywood to Venice Beach to Highway 101/Malibu. She was a wealth of positive information as I was a single mom with a son. She amazed me to have 17 children and be a positive and beautiful spirit . I was going nuts with just 1 child and she raised 17. Amazing. I kept in touch - not as much as I should have but every conversation put a smile on my face and heart. She IS a role model as a woman, a mother and a woman of God. We who all knew her - like me, will keep her spirit in my heart. I am so pleased I met her. I know all her children will miss her being here and her sister especially-As you celebrate mrs. Sallie Mims, just know she is in your hearts and you have 90 years of memories to cherish. My prayers are with you during this time. Gail Hall*

“ Please accept our deepest sympathies over the loss of Sallie. We pray that God will provide the family with the strength needed to endure this difficult time. As one faithful man said, I have hope toward God, that there is going to be a resurrection of both the righteous and the unrighteous. May the Family cherish these words and find comfort in this wonderful hope from God. Jworg
