We shared work space 10+ yrs. No matter what type of day you had. You always said, Glynis. God gets the glory. You were always the light and peace that calm me down. I'm gonna miss my friend.*

“ Ms. Sandy,

*I miss you so much and it's only been a couple of days. Thank you for accepting me into your family these last few years. Little did I know that I was promoted from Ms. LaWanda to your other daughter. I enjoyed all of our conversations and the laughs we had. I got Kenia and I will do what I promised. You fought long and hard and even though we didn't want you to leave, God knew what was better. I love you and miss you. Love Ms. LaWanda*
