“ My grandmother was loved by so many. I will miss her forever but I know that she is resting peacefully in the arms of the Lord. She taught me a lot and I will forever cherish every memory that I have of her. She was not only my grandmother but she was a mother when I needed it as well as my best friend. My heart is broken 💔 but to be absent from the body is to be present with the Lord. I will always hold you close to my heart and I will always remember you! Love you Grandma! Shauntae-
