“ *Sandy was my first and best ever secretary. She was more than a secretary. She was a friend and protector. On one occasion after her giving me the blues for something I hadn't done, all I could think to say was, "Sandy you don't know how to shine your shoes." I still remember the high pitched laugh, and her actually telling me she was so tickled.*

*Luv forever Sandy

“*Friends come into our life for a reason, a season or a lifetime. Sandy was my lifetime friend. I will remember her love and friendship for the rest of my lifetime. Ron, you are so blessed to have found your life partner. Ronda and Casaundra your mother's unconditional love has no words. Elinda, Mrs. Longmire you are in our prayers.*
