“ I didn't know Sandra as much as I would have liked; since she was new to the team. But Sandra hit the ground running, was strong and powerful in her thoughts, and wisdom. After just a short time it was clear the impact she could make, and I was really excited to have her join the team. I know there's a bigger plan, but it still feels to soon for her. I cant imagine the impact she had on the lives of those closer to her; and I wish peace, joy in memories, and healing to those people.

“ Michele. Michele. Michele.

I cannot believe that you are no longer with us. Your beautiful smile and the spirit of “we can do anything as long as we put our mind to it!” I remember reaching out to you when I was planning the 2018 Johnson Family Reunion in Dallas, Texas. I needed ideas for table arrangements and with 10 minutes you sent me information with ideas, where to get the material and offered to help put it together. I reached out again trying to figure out how to get a large backdrop. Yep, you took care of that by ordering and dropping it off at the location. That was you – we can do it!

Your laughter and your smile are treasures for life!

“ *My precious niece Michelle,*

I have such loving memories of you; always the beautiful soul.

The last time we were together I relaxed myself in your car as you carted me around from store to store while we shopped in the Dallas area. You were ever so patient with your Auntee, acting as though you honored my every word. We laughed, talked and reminisced together. That day gave me such a beautiful feeling. I was filled up with love and thankfulness for the time I had with my brother's daughter.

Though our hearts are pained we find some solace knowing that your suffering has ended.

Go now and rest, until we meet again.

Love you always,

Aunt Regetta

“ A beautiful smile and warm spirit, known to us as Aunt Michele. She’s gone from our sight, but never from our hearts.

David, our thoughts and prayers are with you and the entire Johnson Family. We are praying for your strength in God, right now. Lean on your faith and trust that only He can comfort you like nothing else. We love you dearly and we are so sorry for your loss.

“ Dear Godmother,
Only best friends get promoted to such a title, but you were the quintessential everything (mother, sister, daughter, aunt, friend, co-worker, +++) so we were all equally proud to call you whatever title you held in our lives. You instructed me beyond my years (from as far back as I can remember) and I thank you. I sincerely appreciate you, as the gift from God, that you have been for these past 40 years.

Love,
Sanita

“ I remember seeing my cousin (Michelle) at our 2018 Johnson family reunion--70's night.. She came in beautiful, Hollywood--Diana Ross style and took the show. Always a beautiful smile and a beautiful style.

“ Here we stand motionless, in shock and in disbelief, sorrow has creep in, leaving our hearts heavy with Grief; As we prepare to gather and share our memories and tears, each one secretly looking to the sky and questioning, why did COVID take you away, why did three Daughters lose their Mother, why did a Mother lose her oldest Daughter and why five children lost their Grandmother. The thought of life without you is so hard to conceive. Our hearts are damaged and severely scared, but we know that the time has come, to let you rest, and start anew life in heaven, that God has prepared for you. As God call us home one by one, we will meet again, give our Father a kiss and tell him we miss him too.
Love You Always Big Sis!
