Scott Anthony Williamson was born on August 5, 1971 to the union of the late Shelton Williamson and Arlean Williamson in Detroit, Michigan. He was the youngest of two children.

Tony, as he is affectionately known, was a fun-loving, easy-going guy. Known for telling jokes and always making others laugh, he was the kind of person you could always count on to brighten your day. Growing up, he really enjoyed playing video games and rough housing with his brother & best friend, Shelton.

As an adult, he predominantly worked in the manufacturing industry as a Forklift Operator & Hi-Lo Driver, with his longest employ of nearly 20 years at LaGrasso Brothers Produce, whereby he was a champion for workers' rights. When not working, he was just a laid-back kind of guy, spending time with family & friends. He did enjoy a good party and loved to dance! He had a signature dance move that he loved to do that always made everyone smile. Tony was a very kind person and affectionately touched the lives

of everyone that knew him.

Tony is preceded in death by his mother and father: Shelton Williamson and Arlean Williamson. He leaves to cherish his memory his two sons: Stepmother:

Brother: ; Grandchildren: his family matriarch & cousin, special cousin and a host of other cousins, relatives, and friends.

I am the resurrection and the life. He who believes in Me, though he may die, he shall live. And whoever lives and believes in Me shall never die.
