“ *For the past six years Sharon was my friend and the most considerate neighbor one could ever hope for! She always had a huge smile on her beautiful face and kept a positive attitude regardless of the circumstances. She had a strong faith in God and treasured every prayer said on her behalf. I trust she is now in the arms of her heavenly Father, enjoying the company of all the angels and saints as well as her earthly family who were waiting for her on the other side of the veil. Sharon, I'm so glad you are no longer suffering and can enjoy the rewards of eternal peace. ~ Anne Smith*

Thanks so much, she mentioned you to me a couple times when I would come visit you. And I think one day I was blocking your garage door. Lol

“ I met Sharon in late 1977. We worked for the same company. We hit it off immediately. We spent many years together having fun at clubs, dinner out or just meeting for a drink. She gave me the honor of being her maid-of-honor at her wedding in 1986. She will always Be around me calling out to me with her nickname for me...hey, Toni, Toni. She will be in my heart and missed as long as I have a breath to take.

“Cousin Sharon, your death was unexpected. I assumed you had more time with us. I am definitely going to miss you. You were always kind even when you were being the “Enforcer”. I love you and I know you are no longer suffering and that gives me peace. Until we meet again❤️
