“ A limb has fallen from the Family Tree. I keep hearing a voice that says, "Grieve not for me. Remember the best times, the laughter, the song. The good life I lived while I was strong. Continue my heritage, I'm counting on you. Keep smiling and surely the sun will shine through. My mind is at ease, my soul is at rest. Remember how I was truly blessed. Continue traditions, no matter how small. Go on with your life and don't worry about falls. I miss you dearly, so keep up your chin, until the day comes we're together again."

“ I knew Sherri as a USPS coworker. Although our paths as employees at the "Royal Oak P&DC" - and later, the Metroplex in Pontiac - didn't cross regularly, she was always friendly and kind (+ I well remember her beautiful smile).

My heartfelt condolences and prayers go out to Anthony and all the family... May God bless you with the comfort, strength, and peace that only He can truly give best.

There are no words when a sister has left. May your soul be at rest. May you celebrate in the kingdom of the Lord with the loves that left before you. I pray you are in the loving arms of your mother in particular. You never know that last time you'll see a person but I'm glad for the opportunity when I visited the D. Praying for comfort and peace for the many loves both blood and friend that are mourning your loss. Love always. Frances

“ My heart is so heavy, missing my other sister, and partner in crime, Sherri. We were connected by our neighbors, the Epps, and Clifton, before she even married Anthony. Little did he know when he married Sherri, he took on me, Pam Turner, and more 108's too! We all loved them both! Rest well, my sister! Make sure Sandy listens to you, because you're the oldest!

“ Sherri and I attended Winterhalter Junior High together. We were childhood friends. I remember Sherri best from the many talent shows we entered and won. We had a dance group called "The Four Shades of Black." She had a beautiful smile and lovely personality. My prayers and condolences to the entire family.
