“ Remember Simone as one who saw the worth of each individual. I am a Special education teacher and she always saw my students as the equal of all other students. I could always go to her and know she would represent my students. Thank You Simone. We will all miss you in our lives and in the lives of our students.

We send our heart felt prayers to the Detroit Michigan family branch. Our hearts are aching with you today. Simone was a special person. Our love to each of you. Words seem to be inadequate to express what is felt at this time. Love from the South Carolina Branch.

“ Simone’s passing triggered great memories that had been tucked away. I’ll never forget at my 30th birthday party she picked “F” for the letter to state something about me. Simone said I was FAIR and later gave me multiple reasons why she stated that along with some encouraging words. It’s the only letter I remember from that evening and her words have helped me through processes that have been crucial to the outcomes of many youth and their families. Simone has made IMPACT and I’m thankful for knowing her.
