“ *An ultra talented soul is at rest until that Great Day when we'll all be together again. No sickness... no grief... no pain!*

I met Solomon and Susie in back in 1988 at Lamaze class. My son, Joshua (1988-2009), and Natalie were born on the same day in the same hospital by the same doctor! Our families spent so many years together because we really wanted our kids to be close. Solomon and Susie proved to be amazing friends and confidants... I miss them so much.

Please know that I am lifting the entire family up in prayer and will always be able to Natalie and Brea should they need me.

Much love, Angela L. Walker

“ *Solomon! We grew up with each other when my family live on Birchcrest. I will always remember you as being one of the kindest people I've had the honor to know. I wish you a wonderful, adventure filled journey in this next phase, as you re-enter the cosmos. Have fun, my brother.*

In harmony,

“ *Solomon did all the wallpaper in my condo 27 years ago. He was delightful. Loving prayers to Dell and his family. Heaven has gained a true angel. 🙏❤️*
