“ *I love my uncle and my uncle out the c in classy. You never saw him worried and he had a big boastful laughter that could be felt for miles away. My uncle have me the gift of appreciation of jazz. Thanks to my uncle I've seen some great musician perform. I love my uncle but I can rest knowing that he now sits with his queen, watching over his only child Iris, two grand children Vern and Gena, and his two great grandchildren. Heaven now has another angel to watch over you auntie Iris.*

“ I can no longer pick up the phone and call to see how you are,, or stop by and have dinner with you. However I can rest in the fact our father has called you home to be with him. I love you daddy and all you have taught me in life will live on. Please keep looking down on me, and you will always be in my thoughts. GOOD-BYE DADDY. I LOVE YOU.
