“ I attended Western High School with Stanley. Stanley was older than me but he was a comforting presence for me when I arrived at Western. He was welcoming and accommodating for us freshmen in our Study Hall environment. My sincere sympathy to his family and friends.

“ I have known Libby and her family for years to me they are family. I met Libby at KIH and worked with her for years in that time I got to know her family and her mine. Stanley was such a lovely man he was always so nice to me whenever we got to see one another. I cannot be there to give them all my love and hugs but wanted to tell them he will be missed by all. God Bless each of you. Love you Linda and Charles.

*“ I can't say that I knew Stanley personally but I worked with Miss Libby for many many years at the Kmart Headquarters. As well as I know Libby I know her Stanley had to be just as wonderful and kind as she is. I sure wish I could be there to see Miss Libby but I live in Florida but that's why I wanted to send this message personally to be there and thought even if I can't be there in person.*
