I learned of your passing on a by-the-way encounter. It truly struck my heart although so so so many years had passed since we lost contact and moved on with our married family lives I know for sure we held a sister-freindship that would out last any bad marriage lol. Wow I cannot believe I'm writing on an obituary for you , you as I remember was so full of life you lived your life to please others you were unselfish & generous my cool, down to earth wity friend you were missed are missed and will always be missed. Thank God for the fun, laughing times we so enjoyed, I'm so glad that you got to know me through me and not allow other people's harsh lies and jealousy to stop you from being the coolest friend ever. Thanks hope to see ya on the other side you are an angel now forsure. Your Sister-friend Tish
