“ I always looked up to Aunt Sylvia for her beautiful mind. Such an intelligent and gifted woman. I will always remember her love for words and how much she encouraged and pushed me to follow my dreams in Journalism. She made a point to keep me exposed to poetry, books and writing. I'm forever grateful and will never forget. Love you, Auntie.

“ Sylvia McClain was an inspiration to me as a young woman. I saw in her a strong and determined fearless woman. She inspired me in many directions that I pursued in my life. I always thought of her when thinking of the strong positive women role models whose paths I had crossed on my journey. . She will always be that for me and I will always remember her big beautiful welcoming smile 😊 May you rest in Heaven dear Sylvia. May The Most High reward you for all your good works and May you receive eternal peace and joy. So long dear, dear Sylvia

*I used to work with Sylvia in the Economics Department of a financial institution in Detroit, MI. I am so sorry to hear of her passing. I will always remember her positive energy and wealth of knowledge she passed on to me while in that department. I truly enjoyed working with her. I know her family deeply misses her. I will keep you all in my thoughts and prayers.*

“ Sylvia will always remain in my heart of memories. She was instrumental in establishing the business foundation at Detroit-Windsor Dance Academy. I can't recall whether she was bookkeeper, accountant, etc., but she set our records/numbers in order, and made sure we understood the legal and ethical way to handle income. I will be forever grateful to her for that knowledge and insight. She set us on a straight path of moral consciousness during our humble beginnings, that we follow to this day 37+ years later. I am convinced, that along with her sister Judy, that God sent Sylvia to the DWDA family. Our memories of laughter, business and good times, will be a part of the DWDA legacy, and live in our history, forever. May God rest her soul. Praying for peace and comfort for the family, especially for our dear Judy. ❖❖❖

“ *Sylvia, my dearest friend and namesake, We've known each other since the age of 12 and shared many things during that time. School, friends, families, children, heartaches, and joy. I will always remember your passion and our sister-friendship. My hear is heavy and I am missing you but know you're "dancing" in heaven with our loves ones.*

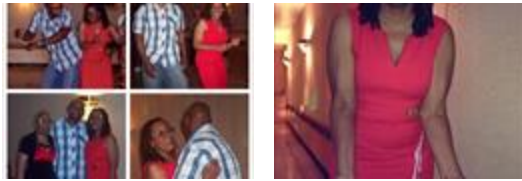

*Love always my sister,

“ *The McClain family thanks you for your love and support in the loss of our beloved sister and aunt. Sylvia fought the good fight of faith, but ultimately the Lord thought it best to call her home. We take comfort in knowing that she is reunited with the two loves of her life - her mom and her son. Please take a moment to share a memory or other remark here. And please check back often as we add photos. If you have a favorite photo please contact a family member for inclusion. Again, thank you, and God bless you for your love and support.*

*Sylvia and I were friends for 50 years and that friendship turned into being more like sisters.*

*Sylvia and I shared our deepest thoughts, dreams and disappointments with each other. We had many, many, many good times hanging out as young women in the seventies and eighties. When we went out, we never wondered what the other was wearing, we were always on the same page; always well put together! :)*

*Sylvia was very intelligent, sensitive, artistic, but most of all, Sylvia's character and integrity was very high. She stood up for what she believed. She danced to her own beat.*

*It was second nature for Sylvia to become a writer and have books published because she was a deep thinker and very creative!*

*My sistergirl-friend gave me the honor of naming her beloved son Sergeant Rasheen Phillipe.*

*Sylvia took a piece of me with her when she left this earth, my dear sistergirl-friend Sylvia is no longer here in body; but she will always live in my heart.*

*Love you Sylvia!*
