“ Worked with Talia for many years at General Motors and deeply saddened to hear of this loss. Talia worked hard to pull things together (often at the last minute!) and she was a positive force in the workplace. Her personality and unique sense of humor made the work easier. My heartfelt condolences to her friends and family.

“ You were a truly special friend, and your loss has left a deep ache in my heart. Words cannot fully express the sadness I feel. Thank you for the memories, the laughter, the game night for the Adventurers at every escape weekend, and the kindness you shared so freely. You will always be remembered and deeply missed.
