“ My condolence to the family. I came to this site for someone else and saw Ms. Seaborn face. State of shock. She was my favorite person when I was a student worker. She took me under her wings and I learned so much from her. When I became an adult I still called her Ms. Seaborn and she would say please call me Tonya now, your grown :). We shared so much. I had not spoken to her in years but always thought of her on her birthday. Man this is a stunner. REST WELL Ms. Seaborn!

“ I am truly heartbroken over the loss of Tanya. She was a kind, caring person who always had a smile or kind word. No matter what was going on in her life, she would always ask how I and my family were doing. I miss my daily work messages from her wishing me good morning. I will miss her terribly. Rest in Peace sweet Tanya. My condolences to her family and friends.

“ My prayers go out to Tanya’s family, friends and loved ones. Tanya and my friendship started “ way back “ over 50 years ago when my family and I lived on Washburn. Even though we would go years without speaking to each other because of the various things going on in our lives, when we would finally “ connect “ it was as if we had just spoken to each other the day before...  
She was a sweet and caring soul and I will miss her as I know so many others will...

“ *My Dear Dear Friend of over 40 years, we have worked together, laughed together, cried together and been there for each others to lean on for so many many years. I am really going to miss you so very very much. I will miss our almost daily hours upon hours of conversations during my two hour evening commute. I will miss your infectious laughter, your shyness with a touch of fire, when needed. I loved your attentiveness and excitement in listening to my crazy stories. Visiting Detroit will never be the same. My heart is so very heavy. I MISS YOU MY DEAR FRIEND!! REST IN PEACE AND ENJOY SPENDING TIME WITH YOUR BELOVED MOTHER AND FATHER!! No Pain, No Suffering. As you would always say whenever it was time to hang up... Take Care My Dear Friend, Until Next Time!*

This is really hard, I called Tanya my Big Sis #2. I could confide in her with anything that life threw at me: good & bad. I never met her parents but I felt like I had. Tanya was Beautiful, Sassy, Classy (she got it from her Momma). Her parents taught her well. Her brother and my Grandson have the same name (Keith) & I think they are born in the same month. I thank GOD that I have a piece of her in my Heart. R.I.P. Tanya. Love Ya my Big Sis #2
