Lois, your mother's sister! - April 20 at 10:46 PM

“One of my most treasured memories is of Trannia, the name we lovingly used for him during his younger years. It was the name his mother, Gloria, and his father, Jessie, chose for him.

When we were both kids, I viewed him as my little doll baby boy because he was so cute, cuddly, sweet, and full of energy. I recall a time when we were about to get into the car, and I wanted to lift him into the front seat with me. Unfortunately, I wasn't strong enough to pick him up, and I accidentally caught his toe in the car door. He cried out, and I felt a surge of fear, knowing my sister would be angry. I began to cry, realizing that I might not be able to care for my baby boy the way I wished to. Even with that incident, he has always had a special place in my heart.

I love you, dear baby boy. May you have everlasting peace with the Lord.
