“ Thank you, Teresa, for the love and care you provided to my father, Earl and to Rickey, during the blackout one summer. You grilled hotdogs for them and gave them something cold to drink and for that I will never forget you. May God bless the Dennis and Porter families. Love you all. From Debra Manley

“ Miss Teresa.... I am reminded every day of your gracious departure. But today, I choose to CELEBRATE your beautiful life and example of living! I'm gonna play "Celebration" by Kool & The Gang just like we did together on the day that Biden won the presidential election. We whooped and hollered in the backyard together! Only this time this song is being played in honor, in memory, in CELEBRATION of YOU, my dear friend! Sending kisses to heaven, to Miss Teresa, the most beautiful new angel <3

“ I worked with Teresa, who I called, 'Porter' during the 30+ years we worked together. She called me, 'Michael G.' as long as I can remember. After we retired, she would call me often, and we would share updates on our families, our lives, and especially our faith. She was a dear friend, and my soul sister in so many ways. I consider myself abundantly blessed to have been able to call her 'friend'. May you rest in God's eternal embrace, friend. ~Mike Stewart

“ My name is Michelle Hurst and I live a few doors down from Teresa and have grown to love her and her family. She will be missed dearly we will miss her night walks with Morgan. Every time we seen her outside we would all run out to talk to her and play with morg-n-beans (that's what we would call Morgan). May God bless your family and we are here to help in any way. The Hurst Family.
