“ I had the privilege of working with Thearin at DuPont over the last 12 months and it was always a pleasure to talk and interact with him. He was always very professional and never had a bad thing to say about anybody. He was extremely positive at all times and no matter how difficult a situation was with a customer issue, he remained calm and upbeat. Thearin was a great guy that will be missed.

“ I met Thearin at the Infusion center when he started Chemotherapy, I took an instant liking to Thearin and became his regular infusion nurse. He was a quiet guy but little by little I got to know him and we had some serious conversations about life. He was always so nice and polite. I know he was taken much too soon but Heaven truly gained another Angel. May he RIP, my prayers and Condolences to his family and friends.

“ *From Sister Resha Ryan*

Brother Thearin had the voice of an angel, a heart of gold and the smile that lit up the hearts of all in his presence. So grateful to have been able to meet such a man, as he. He loves his children and most importantly he loves the Father.

You never know how a person impacts your life until you find yourself giving instruction and realize that the ideas were inspired by that person. I find myself ministering to young men on fatherhood and realize that some of my inspiration came from the example set by Brother Thearin.

To Brother Thearin Dawson's children, know that I love you dearly and send my deepest sympathy and condolences and prayers to you.

To All of affected,

May the Most High God of Israel, Ahayah (I Am), continue to bless you all with His love, peace, wisdom and comfort. The kingdom is near!!! Know that repentance and forgiveness are imperative.

"Forgive us our trespasses, as we forgive those who trespass against us and lead us not into temptation, but deliver us from all evil: For Thine is the kingdom, and the power, and the glory, for ever."

In the name of the one Son, Yashaya (My Savior), the Christ, Amen.

TN

I went to high school with Thearin. Even as a you kid he was a great person. I didn't see him again until our kids were in elementary school together. I remember him as a loving and devoted dad. God bless his family.
