“ *Ms. Matlock Became my personal and later my Business Accountant in 1995, From the moment we met it was all LOVE. She treated me like her child and I loved and Respected her like a Mother. Her Love and guidance got me through the worst times in my life and. Not a day will go by without me thinking of her everyday the rest of my days. I know she's with God and I'm gonna try my best to see her again.*

“ Ms. Matlock was a very sweet and kind person. My family and hers grew up together. She was also our tax person. We would chat a lot when I came to do my taxes about everything. Heaven has gained an angel. My thoughts and prayers are with the family.
