“ *Patricia and Family,*

Our deepest sympathy and love to you and your family during this difficult season. Harold was always so kind whenever I visited. His love for the yard and flowers inspired me so much. He lovingly shared tips and ideas with a smile. I often did a drive-by just to admire the beauty he created. His craft was so unique and unmatched. Such a kind and wonderful person!

May his love and memories keep you smiling and give you peace and joy.

Lovingly,

Shirley Newton and family.

“ I’ve known Mr. Harrell since I was a little girl probably second grade. I spent a lot of time over his house me and his daughter Angela are really really good friends, but I have a fine memory of him were at Oak Park football game at Berkeley high and her father was taking us home. The game wasn’t over, but we had to leave because he had to get home to watch Dallas. I will never forget that he loved the show Dallas. I will surely miss him and I’m praying for the family.

“ My brother Thomas was and most assuredly was a caring, giving brother. He was the guide to my brothers and my sisters growing up. Thomas set the steps to growing up. Because of my brother Thomas, I became employed at the IRS for 32 years. The good Lord knows what will be needed for those who need directions, Thomas stood in the shoes our Mother Esther Ruby had him to wear.

I am proud to say, that for over 30 years, I watched Mr. Harrell be the most loving, supportive and present husband, father and grand-father to his family. His role as protector and provider were unmatched! He never missed a beat when it came to anything that pertained to any of them. His distinctive stature, poise and gentle but assertive character lit up any room he entered. He was a gentleman's gentleman. I will always remember the unwavering support you gave to Angela (and me...lol) for the many events we had at your beautiful home, including my bridal shower in 1995. As Angela's best friend, one thing I know, is that she was a "daddy's girl." There was nothing she could not ask, that you would not provide. You will always be her hero. Job well done Mr. Harrell. Take your rest. Love, Katrena
