“ *On behalf of myself and the entire Buxton family I would like to offer my sincerest condolences to the loving family and many friends concerning the transition of Mr. Thomas Lumpkins Jr. Mr. Tom as I liked to call him was a great man that everyone loved to be around. If you were around him long enough you were guaranteed to have a few smiles and laughs before you left. I can only imagine all of the great memories and stories that the family have to hold onto from all of the years of being around Mr Tom. I pray that these great memories will bring you all comfort right now in your time of mourning. I pray GODS strength, peace, and love will encompass all of Mr. Tom's family and friends, and that all of the tears will be replaced with joy and smiles in the days and years to come as you remember the life and love that you shared with him. Thank you Mr. Tom for all of the hospitality, humor, wisdom, food, and conversations that you shared with me and my family over the years. Thank you for teaching me how to play poker even though I lost plenty of quarters at your table. Lol.. You were truly one of a kind. Rest well Mr. Tom! Love the Buxton family.*

“ I met Tom through my Dad, as they had a very close friendship and long time work relationship. I was able to appreciate and grow my relationship with Tom as boy and then as a man. Tom had a commanding spirt and voice. You always knew that he was in the room and was on top of the conversation and task at hand. -

Tom was a big brother to many of his AAA family. We knew he would be there when we needed him always having our bac.k. I will always remember our Good Friday events with Tom being in charged. Those were the days. Rest in peace my brother. Pat Peoples
