“ Hello, my name is Johnathan Murray. I have known Tim 40 plus years. We met through a mutual friend. We shared a love of family, cars, bowling, Powerhouse gym, cycling and living life. He had a sense of humor he got from his father. I remember when Tim's father got his new Vette. Tim came by and we were off. Tim had the t tops out and were burning up on the leather seats from the sun. He was my brother and life long friend who I loved. Condolences to the Perkins family. 🙏🙏🙏

I called him Skip. He called my very first car, a toy “this isn't a real car” or some wise crack to that effect. He was a campus brat, an honorary Titan at U of D. When he got older, his sense of humor and timing was always something I looked forward to if I knew he would be in the house. He was the little brother that grew up on me. RIH , ❤️ U.

“ Thank you Tim, for the laughs and friendship you shared with me. I especially appreciate the way you reached out to me and encouraged me after learning of my brother, Reggie's passing. I always enjoyed time with you because spending time with you meant sharing time with someone who was a special part of my brother's life. I will miss your teasing and your smile. I pray for strength and comfort for your wife, the rest of your family and the many friends who were blessed to bike with you. If there are bikes in heaven, I know you and Reggie have already hooked up. Ride on, Tim!

It would take me a lifetime to talk about Timothy and the way he not only got along with people, but how he treated people. 33yrs. Timothy dressed the best, ate the best foods, drove the sharpest cars, worked out all the time, bowled, loved all sports including cycling. He wasn't afraid to live life, travel He worked hard and played harder

□ I met Tim while working at Mumford High School in 1987. Tim could be rather shy until he got to know you. I had the honor and pleasure of meeting his Mom, and sister Linda man talk about cooking she would burn every time!! Tim got to meet My beloved Mom and brothers (both have made their transitions years ago. Tim had the pleasure of meeting my daughter and they hit it off. Timothy's passed and it felt like my heart had been ripped out of my chest it's a dream I kept telling myself.... reality has come and even though we didn't see each other we all the time or talk everyday he was and will always be my friend always we remained in touch with one another. I remember when his friend (Big) Tom passed that was the 1st time I saw him cry then again when Mom passed. To his immediate family I humbly give you my deepest condolences, I can't imagine what to say so I will say this "HOW WILL YOU LIVE YOUR DASH"? Timothy lived his to the fullest and will he will be greatly missed like he was truly loved 💔 and I Thank Matt for keeping me informed. Until we meet again my friend take your bow job well done!!! and rest up. Norma Jean as he called me

“ I had the great pleasure of knowing and working with Tim. We shared so many stories together and he was an inspiration to me. I admired all the wonderful qualities that made him the special person that he was. He had intelligence, wit, charm and a caring heart that made him a great friend. “ *Hello, my name is Katrina Gatewood and I was a coworker of Tim with ALLSTAR. First I want to extend my condolences to his wife, family and friends. I only got to work with Tim on a few reservations but he was nothing but professional. By me being a new employee and new to the chauffeur business he gave me alot of good tip and pointers on great customer service. For that I will be forever grateful. My prayers is for God to wrap this family in his forever loving arms. Hold on to God's unchanging hand. Please God give them peace beyond all understanding.*

“ LINDA PERKINS-MOORE tribute to my Brother

Tim (Skip), my baby brother, you will always be remembered for your sense of humor, your work ethic and your kindness. Your will remain forever in my heart and memories.

I can feel your presence and I know you are safe now. You taught m how to care. Your taught me compassion and you taught me how to be a better mother to your nephew, Brandon and for that, I will cherish our memories.

Like your childhood friends say, Linda loved and protected her baby brother and now Skip is in heaven loving and protecting his big sister.

Fun fact: As kids, family rule dictated that we alternate weeks of choosing cereal (along with the standard corn flakes/puffed rice/frosted flakes). Skip ALWAYS picked marshmallow cereals and to this day, I cringe every time I see a box of Lucky Charms!

" I now that there is nothing better for people to be happy and to do good while we live.."

-Book of Ecclesiastes

Bye my Baby. Now you, Daddy and Steve can continue our regular joke fests-or as Daddy said "cracking on each other sessions"-for those of you wondering where Skip's sense of humor started!

Love you Sweetie!

“ I met Tim about a year ago when I planned a vacation for him and his beautiful wife, who I had known from grade school back in Ohio. Tim was witty and cheerful, easy to work with, and very much in love with his wife, who he planned to explore the world with. My deepest condolences to Cecilia and all of Tim's family and friends! May God's comfort and love be with you always. Rest in power Timothy Perkins!

“ To the Perkins family; I am deeply saddened with the news of Timothy's passing. He was my colleague at ALLSTAR; for a few years indeed Timothy, was an awesome human being and friend. I will truly miss his jovial ways. My prayer for Brother Timothy, is this. The one I asked of the Lord God, is to have Brother Timothy; live in the House of The Lord, all the days of his life, delighting in the Lord's perfection and meditation in His Temple. Amen and Amen 🙏
