“ I met Todd in Case Hall during our Freshman Year at MSU. He had a big smile and had a quiet personality, until you got to know him. Todd was a handsome young man who never seemed to let that go to his head. Our group ate meals together in the cafeteria, hung out in the Black Caucus room, and at other functions. We were Freshies who were discovering University life. At the time he felt like a brother, cause my freshmen friends and I soon realized his kind, warm personality was not just an act and that he truly looked out for us. The last time i saw him was at my former Roommate’s funeral. It was there that i remember that he gave the biggest warmest hugs. We only stayed in touch via social media, but I’ll miss my friend and I’m praying that God’s strength and comfort will meet you (his loved ones) at the point of your needs in the days to come.

“ Todd Eric Greer was a sweet and dear friend from the moment I met him as a freshman at MSU. I was the lady ref at men’s Intrantramural basketball and he, well he was a basketball superstar. We would often ride home to Detroit together on the weekends just laughing and talking and having great fellowship. It was a friendship that would last decades and was very strong up until recent weeks when he made his transition. Todd was caring and sensitive. I know he was in the process of reconciling some regrets in life and also still in mourning for the loss of his beloved mother. I pray that he was comforted in those last days and that he made his peace with his blessings, and the journey that would ultimately sum up the totality of his life. My prayers for comfort are extended to his beautiful son, Thomas, and family, including his fraternity brothers who loved him dearly and whom he cherished as well. Farewell dear friend. Amina Fakir

“ *Losing a Brother and a Fraternity Brother is painful, that’s what this feels like, yet finding the right words to honor his memory is near impossible for me. If you didn’t like Todd there was probably something wrong with you.*

I choose not to think of him as gone away;

His journey’s just begun.

Life holds so many facets;

My prayer is this earth is only one.

Rejoice in Peace Dear Brother

"Better known in the House of Alpha at Michigan State as 'T Greer', Todd is one of five Men that are the First Born of the Eighteen Karat Gold line of Gamma Tau chapter. T Greer's passing was stunning to say the least, as his transition is no different to losing one's first child. Todd will forever be a true Man and BROTHER of the House of Alpha! Rest In Peace T Greer"

“ Todd was my personal when I became an Alpha Angel at MSU. He was a true gentleman and a trusted friend during my time there. I'm so grateful to have re-connected with him via Facebook. He was a source of comfort and support when I lost my husband unexpectedly and he always provided an uplifting word during our brief, but meaningful exchanges. I'll always remember his kindness, caring, and his easy going manner. My deepest condolences and prayers of comfort, strength and peace to his family, friends and frat.
