“ I met Tracy through our shared sister Shelly that I worked with. I always admired how beautiful and healthy Shelly's hair was and finally asked for her beauticians contact information. That's when she introduced me to her sister the Best Beautician EVER! She used the BEST of everything, her hair wash routine will never be beaten and the way she trimmed my hair got me compliments from everyone I encountered (especially my late grandmother). Tracy was my beautician, herbalist, therapist, and friend. Tracy will truly be missed and my condolences goes out to her entire family and friends.
